**Color Tapestries made by Omniarts of Colorado** – photographed & printed directly onto coarsely woven cotton fabric in full color. There are currently 40 different designs available in standard sizes. However, any of the available designs can be custom sized to fit your needs. Keep in mind the relative size of length and height will remain the same. The cost for this custom sizing is an additional \$5.00. We will also be happy to make custom tapestries from your own photo or print for the same additional charge. We reserve the right to add any custom tapestries to our line in the future.

**A color copy of the tapestries is available for \$2.00 or \$1.00 with any order.**
